**SUBJECT: Receipt of Order - Tariff Filing  
Case No. 2008-00074**

Dear Director Stumbo,

We wanted to thank you and your staff for your attention to, and responsiveness to issue an order for us to complete the transfer and acquisition of the Radcliff Sewer System. We realize that this was probably an unusual filing, and somewhat complex, so we especially appreciate your staff being able to analyze it and issue the order within 8 weeks from our original filing date.

The order does require us to file a new tariff within 90 days. As we did already re-file a revised tariff (on April 8, 2008), and there were no changes ordered to the tariff, we are uncertain if we need to now file another tariff, or if the latest filed will suffice. Please let us know what is required.

Again, we appreciate the work by your staff on this important transaction and filing for our District. If you are ever in the Ft. Knox/Radcliff area, please feel free to let me know so we can meet.

Sincerely,

Jim Bruce, General Manager
